

Integrative Energy Code of Business Conduct

- **Keep Your Word:** Maintain all your agreements impeccably.
- **Practice Radical Honesty:** Tell the truth of your experience regardless of consequences.
- **Choose to Become Fully Responsible:** Be accountable for all your behaviors, decisions and outcomes.
- **Live in the Present Moment:** Live in the "now" of life. Practice presence. Be conscious and aware. Do not delay.
- **See the Good:** Look for the good, cultivate a sense of positivity in attitude, and be hopeful.
- **Live by the Golden Rule:** Treat others the way you would like to be treated.
- **Practice Gratitude & Appreciation:** Be grateful for all you have been given and be gracious.
- **Commit to Lifelong Learning:** Continue to grow personally, professionally and organizationally.
- **Be Compassionate:** Treat yourself and others with compassion and be open to see and understand multiple perspectives.
- **Take Time for Reflection:** Reflect and respond to life and work events rather than react.
- **Be in Integrity:** Live so that your intentions, thoughts, feelings and actions are aligned and integrated.
- **The Twelfth Principle:** Decide from your own life experience what is needed at this moment.....

I, the undersigned, acknowledge that I have read the IE Code of Conduct and, on IE projects, will practice them to the best of my ability: Date: _____
